

# St James Church

## Friday 9<sup>th</sup> November

Placement of WWI Soldier Silhouettes outside and within Church and other items made by local children and adults that commemorate the end of WW1 and especially those that gave their lives from our local community. St James Church have received 6 seated silhouettes from Armed Forces Covenant Fund which will be placed within the Church. We have also received donations to purchase 2 silhouettes which will be displayed outside the church. Members of the community and various community groups of all ages are busy knitting and creating poppies that will be used. Wool, etc can be collected from Ronnie at the Chapel. We are seeking assistance from our own local Veterans and serving members of the forces and willing members of the community in installing these.

The Church will be open from 10.00 am – 4.00 pm to enable all to see the displays created. An area will be set aside where candles can be lit, prayers said/written and comments left.
